

Intersection to be signalled in near future

Alternative route via Henry St to/from Racecourse Rd via signalled intersection.

Proposed closure of Railway Ave and Racecourse Rd intersection

Ultimate Road Network

Note: These plans are based on current proposed master plans and are subject to change

Poor sight line

**Sight line to south at 3m back from hold line at driver's eye height
Total sight line is approximately 30m which is sub-standard.
It is not possible to relocate the level crossing signs**

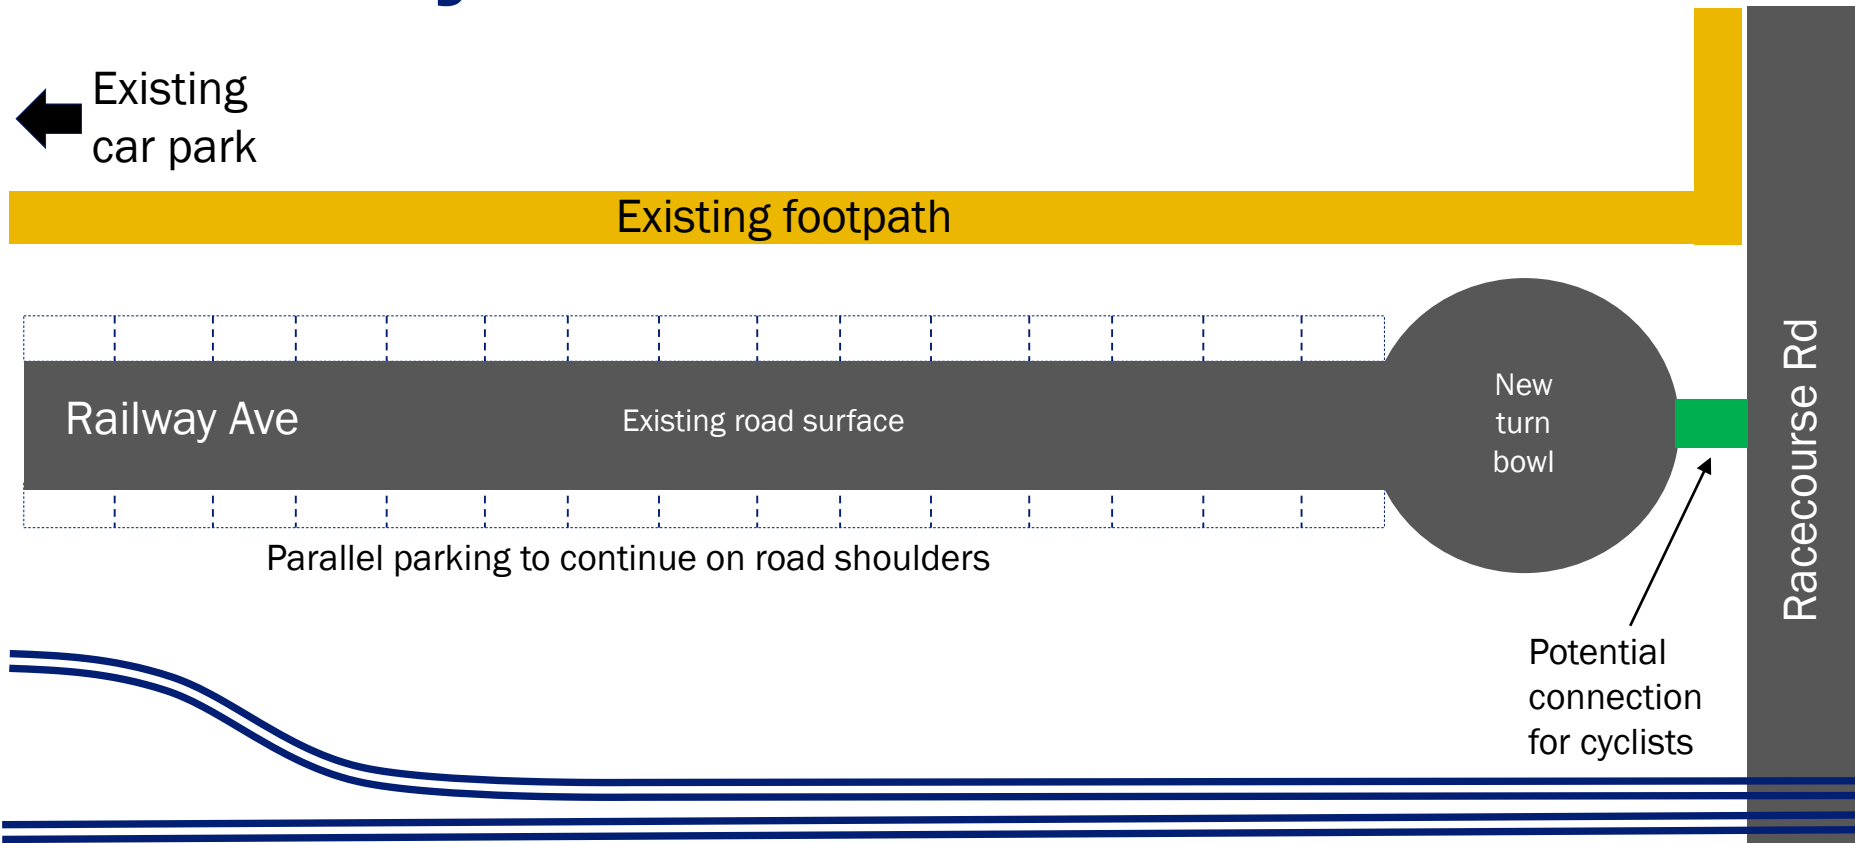

Existing bus routes

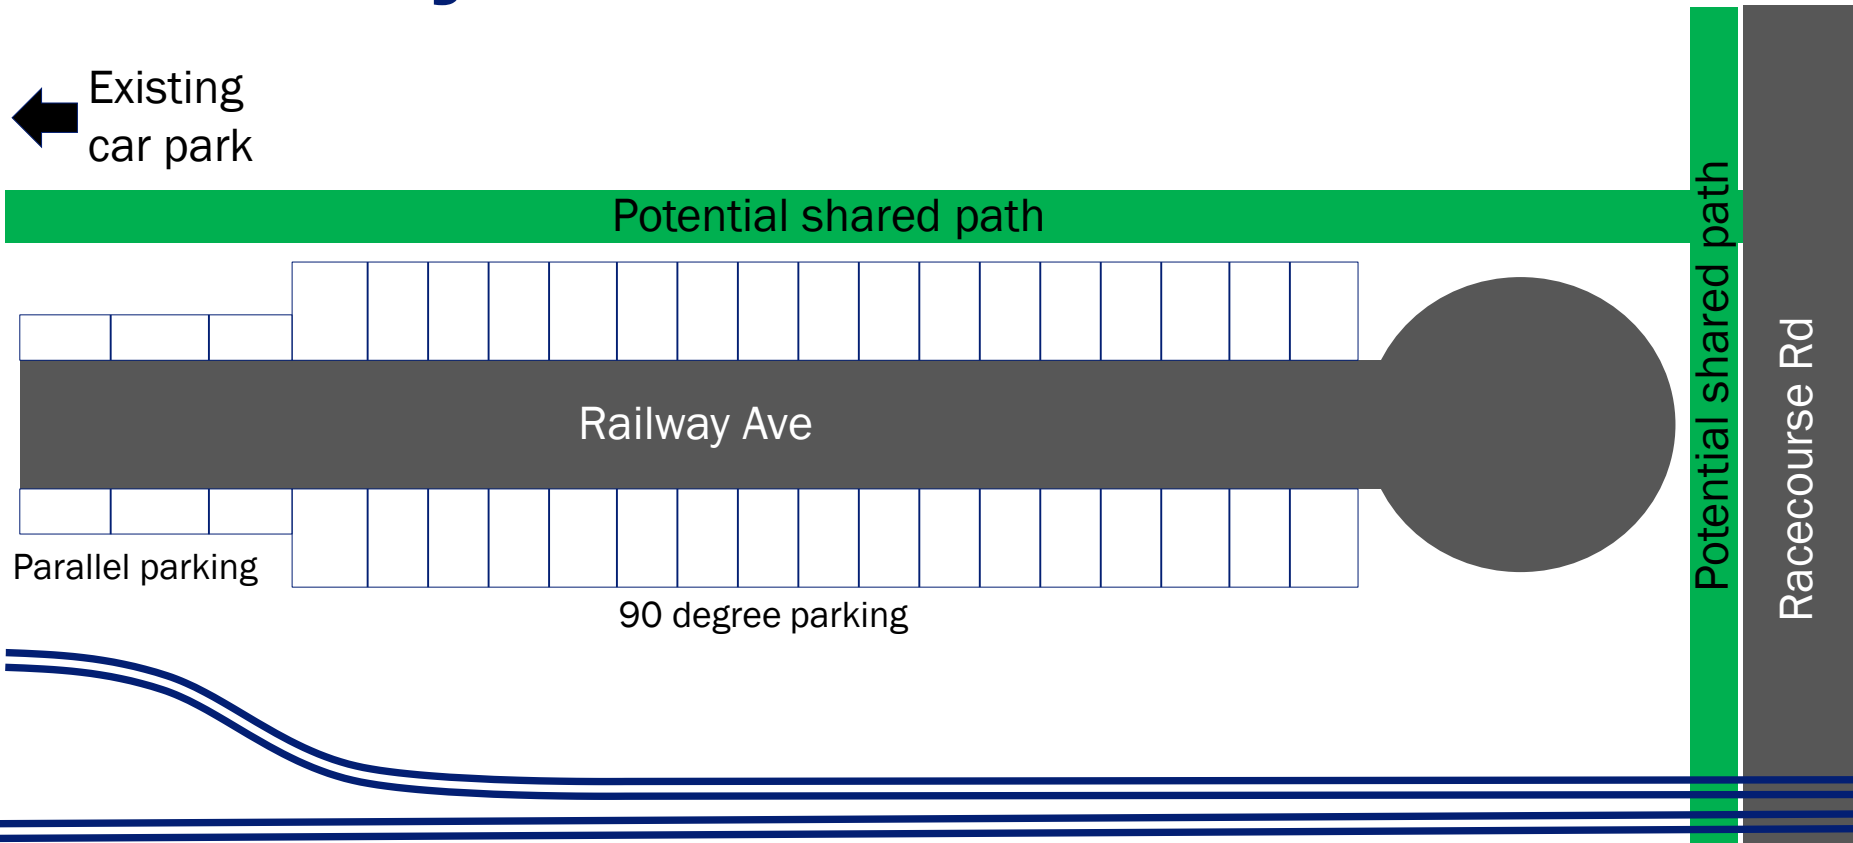

Proposed bus routes

Proposed concept design for Railway Avenue

Potential ultimate design for Railway Avenue

Note: Design is subject to consultation with VicTrack and on site features
