For the Twelve Months Ended 30 June 2013

Introduction

(a)

Cardinia Shire Council was established by an Order of the Governor in Council on 15 December 1994 and is a body corporate. The Council's main office is located at Henty Way, Pakenham.

(b)

The purpose of the Council is to:

- provide for the peace, order and good government of its municipal district;
- to promote the social, economic and environmental viability and sustainability of the
- to ensure that resources are used efficiently and effectively and services are provided in accordance with the Best Value Principles to best meet the needs of the
- to improve the overall quality of life of people in the local community;
- to promote appropriate business and employment opportunities;
- to ensure the equitable imposition of rates and charges; and
- to ensure transparency and accountability in Council decision making.

Council's auditors, solicitors, bankers, and website are;

External Auditor - Auditor-General of Victoria

Internal Auditor - Crowe Horwath Melbourne (A WHK Member firm) - to 30 April 2013

Internal Auditor - Oakton - from 1 May 2013

Solicitors - Maddocks Lawyers

Bankers - Westpac Banking Corporation

Website address - www.cardinia.vic.gov.au

This financial report is a general purpose financial report that consists of a Comprehensive Income Statement, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement, and notes accompanying these financial statements. The general purpose financial report complies with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1989, and the Local Government (Finance and Reporting) Regulations 2004.

Note 1 Significant accounting policies

(a) Basis of accounting

This financial report has been prepared on the accrual and going concern basis.

This financial report has been prepared under the historical cost convention, except where specifically stated in notes 1(h), 1(k), 1(s), and 1(v).

Unless otherwise stated, all accounting policies are consistent with those applied in the prior year. Where appropriate, comparative figures have been amended to accord with current presentation, and disclosure has been made of any material changes to comparatives.

All entities controlled by Council that have material assets or liabilities, such as Special Committees of Management, have been included in this financial report. All transactions between these entities and the Council have been eliminated in full. Details of entities included in this financial report are listed in note 45.

(b) Change in accounting policies

There have been no changes in accounting policy during the financial year.

For the Twelve Months Ended 30 June 2013

Note 1 Significant accounting policies (cont.)

c) Revenue recognition

Rates, grants and contributions

Control over assets acquired from rates is obtained at the commencement of the rating year as it is an enforceable debt linked to the rateable property or, where earlier, upon receipt of the rates.

A provision for doubtful debts on rates has not been established as unpaid rates represent a charge against the rateable property that will be recovered when the property is next sold.

Control over granted assets is normally obtained upon their receipt (or acquittal) or upon earlier notification that a grant has been secured, and are valued at their fair value at the date of transfer.

Income is recognised when the Council obtains control of the contribution or the right to receive the contribution, it is probable that the economic benefits comprising the contribution will flow to the Council and the amount of the contribution can be measured reliably.

Where grants or contributions recognised as revenues during the financial year were obtained on condition that they be expended in a particular manner or used over a particular period and those conditions were undischarged at balance date, the unused grant or contribution is disclosed in note 5. The note also discloses the amount of unused grant or contribution from prior years that was expended on Council's operations during the current year.

A liability is recognised in respect of revenue that is reciprocal in nature to the extent that the requisite service has not been provided at balance date.

User fees and fines

User fees and fines (including parking fees and fines) are recognised as revenue when the service has been provided, the payment is received, or when the penalty has been applied, whichever first occurs.

A provision for doubtful debts is recognised when collection in full is no longer probable.

Sale of property, plant and equipment, infrastructure

The profit or loss on sale of an asset is determined when control of the asset has irrevocably passed to the buyer.

Interest and rents

Interest and rents are recognised as revenue on a proportional basis when the payment is due, the value of the payment is notified, or the payment is received, whichever first occurs.

(d) Inventories

Inventories held for distribution are measured at cost adjusted when applicable for any loss of service potential.

Other inventories are measured at the lower of cost and net realisable value.

For the Twelve Months Ended 30 June 2013

Note 1 Significant accounting policies (cont.)

(e)

(f)

Depreciation and amortisation of property, plant and equipment, infrastructure, intangibles

Buildings, land improvements, plant and equipment, infrastructure, heritage assets, and other assets having limited useful lives are systematically depreciated over their useful lives to the Council in a manner which reflects consumption of the service potential embodied in those assets. Estimates of remaining useful lives and residual values are made on a regular basis.

Where infrastructure assets have separate identifiable components that are subject to regular replacement, these components are assigned distinct useful lives and residual values and a separate depreciation rate is determined for each component.

Footpath assets have a condition-based depreciation.

Road earthworks are not depreciated.

Artworks are not depreciated.

Straight line depreciation is charged based on the residual useful life as determined each year

Major depreciation periods used are listed below and are consistent with the prior year unless otherwise stated:

Buildings and structures

Plant and Machinery

Furniture, equipment, and computers

Roads, footpaths, and carparks

Bridges

Drains

Intangible assets

Repairs and maintenance

Routine maintenance, repair costs, and minor renewal costs are expensed as incurred. Where the repair relates to the replacement of a component of an asset and the cost exceeds the capitalisation threshold the cost is capitalised and depreciated. The carrying value of the replaced asset is expensed.

(g) Finance costs

Finance costs include interest on bank overdrafts and interest on borrowings. The council has elected to recognise the finance cost as an expense in the period in which they are incurred regardless of how the borrowings are applied.

Period

1 - 95 years 2 - 20 years 3 - 10 years 10 - 70 years 50 - 100 years

100 years 100 years

2 -10 years

For the Twelve Months Ended 30 June 2013

Note 1 Significant accounting policies (cont.)

h) Recognition and measurement of assets

Acquisition

The purchase method of accounting is used for all acquisitions of assets, being the fair value of assets provided as consideration at the date of acquisition plus any incidental costs attributable to the acquisition. Fair value is the amount for which the asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

Where assets are constructed by Council, cost includes all materials used in construction, direct labour, and an appropriate share of directly attributable variable and fixed overheads.

The following classes of assets have been recognised in note 22. In accordance with Council's policy, the threshold limits detailed below have applied when recognising assets within an applicable asset class and unless otherwise stated are consistent with the prior year:

Property Threshold Limit \$'000 Land 10 Land Under Roads 10 Buildings and structures 5 Plant and Machinery 5 Furniture, equipment, and computers 5 Roads, footpaths, and carparks 10 Bridges 10 Drains 10 Intangible assets

Recognition and measurement of assets

Revaluation

Subsequent to the initial recognition of assets, non-current physical assets, other than plant & equipment, are measured at their fair value, being the amount for which the assets could be exchanged between knowledgeable willing parties in an arms length transaction. At balance date, the Council reviewed the carrying value of the individual classes of assets measured at fair value to ensure that each asset materially approximated its fair value. Where the carrying value materially differed from the fair value at balance date the class of asset was revalued. As at 30 June 2013, depreciation rates and methods were reviewed with no material change in the carrying value of Council assets identified in the current year.

In addition, Council undertakes a formal revaluation of land, buildings, and infrastructure assets on a regular basis ranging from 2 to 4 years. The valuation is performed either by experienced council officers or independent experts. The current council asset management officer has over fourteen years experience in local government asset management, including undertaking condition assessments, managing asset systems, and undertaking valuations/revaluations of non-current assets.

Where the assets are revalued, the revaluation increments are credited directly to the asset revaluation reserve except to the extent that an increment reverses a prior year decrement for that class of asset that had been recognised as an expense in which case the increment is recognised as revenue up to the amount of the expense. Revaluation decrements are recognised as an expense except where prior increments are included in the asset revaluation reserve for that class of asset in which case the decrement is taken to the reserve to the extent of the remaining increments. Within the same class of assets, revaluation increments and decrements within the year are offset.

Land under roads

Land under roads acquired after 30 June 2008 is brought to account using the cost basis. Council does not recognise land under roads that it controlled prior to that period in its financial report.

For the Twelve Months Ended 30 June 2013

Note 1 Significant accounting policies (cont.)

i) Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, deposits at call, and other highly liquid investments with original maturities of three months or less, net of outstanding bank overdrafts.

(j) Investments

Investments, other than investments in associates are measured at cost

(k) Accounting for investments in associates

Council's investment in associates is accounted for by the equity method as Council has the ability to influence rather than control the operations of the entity. The investment is initially recorded at the cost of acquisition and adjusted thereafter for post-acquisition changes in the Council's share of the net assets of the entity. Council's share of the financial result of the entities is recognised in the comprehensive income statement.

(I) Tender deposits

Amounts received as tender deposits and retention amounts controlled by Council are recognised as Trust funds until they are returned or forfeited (refer to note 24).

(m) Employee benefits

Wages and salaries

Liabilities for wages and salaries and rostered days off are recognised and measured as the amount unpaid at balance date and include appropriate oncosts such as workers compensation and payroll costs.

Annual leave

Annual leave entitlements are accrued on a pro rata basis in respect of services provided by employees up to balance date. Current annual leave entitlements expected to be paid within 12 months (including appropriate oncosts) are measured at the amount expected to be paid. Non-current annual leave entitlements (including appropriate oncosts) are discounted to present value. Commonwealth bond rates are used for discounting future cash flows.

Long service leave

Long service leave entitlements payable are assessed at balance date having regard to expected employee remuneration rates on settlement, employment related oncosts and other factors including accumulated years of employment, on settlement, and experience of employee departure per year of service. Long service leave entitlements for employees who have been with Cardinia Shire Council for more than seven years is classed as current and is measured at nominal value based on the amount expected to be paid when settled. Long service leave entitlements for employees who have been with Council for 0-6 years is classed as non-current and has been measured at the present value of the estimated future cash outflows to be made for these accrued entitlements. Commonwealth bond rates are used for discounting future cash flows.

Superannuation

A liability is recognised in respect of Council's present obligation to meet the unfunded obligations of defined benefit superannuation schemes to which its employees are members. The liability is defined as the Council's share of the scheme's unfunded position, being the difference between the present value of employees' accrued benefits and the net market value of the scheme's assets at balance date (top up of the defined benefit scheme). The liability also includes applicable contributions tax of 15%.

The superannuation expense for the reporting year is the amount of the statutory contribution Council makes to the superannuation plan which provides benefits to its employees together with any movements (favourable/unfavourable) in the position of any defined benefits schemes. Details of these arrangements are recorded in note 33.

For the Twelve Months Ended 30 June 2013

Note 1 Significant accounting policies (cont.)

Retirement gratuities

Retirement gratuities were provided to certain employees who joined the Council prior to June 1999. The liability represents a set proportion of accumulated sick leave that is payable on retirement.

(n) Leases

Operating leases-payables

Lease payments for operating leases are recognised as an expense (as per accounting standard - straight line basis) in the years in which they are incurred as this reflects the pattern of benefits derived by the Council.

(o) Allocation between current and non-current

With the exception of employee provisions (note m), in the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next twelve months, being Council's operational cycle.

(p) Agreements equally proportionately unperformed

Council does not recognise assets and liabilities arising from agreements that are equally proportionately unperformed in the balance sheet. Such agreements are recognised on an 'as incurred' basis.

(q) Web site costs

Costs in relation to websites are charged as an expense in the period in which they are incurred.

(r) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows

(s) Impairment of assets

At each reporting date, the Council reviews the carrying value of its assets to determine whether there is any indication that these assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the assets carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the comprehensive income statement, unless the asset is carried at the revalued amount in which case, the impairment loss is recognised directly against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

(t) Assets held for resale

Assets held for resale comprise land held for resale in the South East Business Park Estate. Current land held for resale is classed as the lots that are available for sale within the next twelve months.

(u) Rounding

Unless otherwise stated, amounts in the financial report have been rounded to the nearest thousand dollars.

For the Twelve Months Ended 30 June 2013

Note 1 Significant accounting policies (cont.)

v) Financial guarantees

Financial guarantee contracts are recognised as a liability at the time the guarantee is issued. The liability is initially measured at fair value, and if there is material increase in the likelihood that the guarantee may have to be exercised, at the higher of the amount determined in accordance with AASB 137 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortisation, where appropriate. In the determination of fair value, consideration is given to factors including the probability of default by the guaranteed party and the likely loss to Council in the event of default.

(w) Pending Accounting Standards

The following Australian Accounting Standards have been issued or amended and are applicable to the Council but are not yet effective.

They have not been adopted in preparation of the financial statements at reporting date.

| Pronouncement | What's new? | Impact/Action | Transition | Effective date |
|--|--|--|--|---|
| AASB 9 Financial Instruments | AASB 9 standard is one of a series of amendments that are expected to eventually completely replace AASB 139. During 2010-11, the standard will be expanded to include new rules on measurement of financial liabilities and hedge accounting. Currently the existing provisions of AASB 139 will continue to apply in these areas. AASB 9 simplifies the classifications of financial assets into those to be carried at amortised cost and those to be carried at fair value – the 'available for sale' and 'held-to-maturity' categories no longer exists. AASB 9 also simplifies requirements for embedded derivatives and removes the tainting rules associated with held-to-maturity assets. The new categories of financial assets are: Amortised cost – those assets with 'basic' loan features'. Fair value through other comprehensive income – this treatment is optional for equity instruments not held for trading (this choice is made at initial recognition and is irrevocable). Fair Value through profit and Loss – everything that does not fall into the above two categories. The following changes also apply: Investments in unquoted equity instruments must be measured at fair value. However, cost may be the appropriate measure of fair value where there is insufficient more recent information available to determine a fair value. There is no longer any requirement to consider whether 'significant or prolonged' decline in the value of financial assets has occurred. The only impairment testing will be on those assets held at amortised cost, and all impairments will be eligible for reversal. | The impact is not likely to be extensive in the local government sector. Although it will vary considerably between entities. While the rules are less complex than those of AASB 139, the option to show equity instruments at cost has been largely removed, which is likely to lead to greater volatility within the income statement. However it may also lead to an improved financial position for some entities. This will also create a requirement to measure some instruments annually that has not previously existed. | arrangements are extensive – in general retrospective restatement is required, but there are exceptions. Early-adoption of the standard before 1 | Periods beginning on or after 1 January 2015. The standard was amended in 2012 to delay the effective date by two years (previously 1 January 2013). |
| | Similarly, all movements in the fair value of a financial asset now go to the income statement, or, for equity instruments not held for trading, other comprehensive income. There is no longer any requirement to book decrements through the income statement, and increments through equity. | | | |
| AASB 10 Consolidated Financial Statements | The standard introduces a single model of control, which is used to determine whether an investee must be consolidated. The existence of control is determined based on: Power to direct the activities of an investee (irrespective of whether such power is exercised). | The definition of 'control' is based on various factors, and is wider than just those entities in which an investee holds greater than 50% of the voting rights. While the effects of this standard are not expected to be significant in the local government sector, there may be some increase in the number of entities required to be consolidated as subsidiaries. | Early adoption is permitted, but AASB 10,AASB 11, AASB 12, AASB 127 (revised) and AASB 128 (revised) must all be adopted simultaneously. | beginning on |
| | Exposure, or rights, to variable returns from its involvement with the investee. The ability to use its power over the investee to affect the amount of the investor's returns. | | | |

For the Twelve Months Ended 30 June 2013

| Pronouncement | What's new? | Impact/Action | Transition | Effective date |
|--|--|--|---|---|
| AASB 11 Joint Arrangements | AASB 11 classifies all joint arrangements as either joint operations or joint ventures: Joint operations exist where the parties have the right to their assets and the obligation for their liabilities under the arrangement. Each party recognises its own assets, liabilities, revenues and expenses resulting from the arrangement. Joint ventures exist where the parties have the rights to the net assets of the arrangement. Each party accounts for the arrangement under the equity method in accordance with AASB 128 Investments in Associates and Joint Ventures (see below). | The use of proportionate consolidation to account for joint ventures is no longer permitted. This is not likely to impact many councils. | Early adoption is permitted, but AASB 10,AASB 11, AASB 127 (revised) and AASB 128 (revised) must all be adopted simultaneously. | |
| AASB 12 Disclosure of Involvement with Other Entities | AASB 12 requires the disclosure of information to enable users to evaluate the nature of, and risks associated with, its interests in other entities and The effect of those interests on its financial position, financial performance, and cash flows. AASB 12 applies to all entities that have subsidiaries, joint arrangements, associates, or unconsolidated structured entities, and requires disclosures grouped into four categories: Significant judgments and assumptions, including how control, joint control, or significant influence has been determined. Interests in subsidiaries, including details of the composition of the group, the interests held by any non-controlling interest, any changes in control, and the nature of any associated risks. | quantitative. In particular, management should document and be able to justify its key judgments concerning control and significant influence. In the local government context this is likely to require increased disclosures around the operations of Library | simultaneously. | |
| | Interests in joint arrangements and associates, including their nature and extent, the effects on the group, and any associated risks. Interests in unconsolidated structured entities, including their nature and extent, any changes during the year, and the associated risks. | Corporations as well as other activities that Council have an interest in. | | |
| AASB 13 Fair Value Measurement | AASB 13 replaces the existing IFRS guidance on fair value measurement and disclosure. It applies whenever another standard permits or requires the use of fair value measurements. It sets out a fair value hierarchy for such measurements: Level 1 – quoted prices in active markets for identical assets and liabilities, which can be accessed at the measurement date. Level 2 – inputs other than quoted market prices included within Level 1, which are observable for the asset or liability, either directly or indirectly. Level 3 – unobservable inputs for the asset or liability. There are also extensive disclosure requirements relating to each of the three levels within the hierarchy. | The standard determines 'how to' rather than 'when' in respect of fair value measurements, and summarises the existing IFRS guidance in one place. This standards may assist those councils that have equity investments that are no longer able to be held at cost. | Early adoption is permitted. | Periods beginning on or after 1 January 2013 |
| AASB 119 Employee Benefits, AASB 2011-10 Amendments to Australian Accounting Standards arising from AASB 119 and AASB 2011-11 Amendments to AASB 119 (September 2011) arising from Reduced Disclosure Requirements | The standards require the recognition of all re-measurements of defined benefit liabilities/assets immediately in other comprehensive income (removal of the so-called "corridor" method), the immediate recognition of all past service cost in profit or loss and the calculation of a net interest expense or income by applying the discount rate to the net defined benefit liability or asset. | Council is yet to assess the full impact. Where adequate information is available, Counil will apply the new standard from 1 July 2013 when the new standard applies to Cardinia Shire Council. | | Periods beginning on or after 1 January 2013 |
| AASB 128 Investments in Associates and Joint Ventures | AASB 128 has been amended to ensure consistency with the new requirements of AASB 10 Consolidated Financial Statements and AASB 11 Joint Arrangements. The standard sets out how the equity method of accounting is to be applied, defines "significant influence," and how impairment is to be tested for investments in associates or joint ventures. | Some joint ventures which were previously accounted for under the proportionate consolidation method must now be accounted for as associates. These changes are not expected to impact significantly on Councils. | Early adoption is permitted, but AASB 10,AASB 11, AASB 12, AASB 127 (revised) and AASB 128 (revised) must all be adopted simultaneously. | |

| Note 2 Rates and charges Council uses capital improved value (CIV) as the basis of valuation of all properties within the municipal district. The CIV of a property is the market value as determined by the Municipal Valuer as at 1 January 2012. The valuation base used to calculate general rates for 2012/13 was \$14,531,909,616 (2011/12 \$12,410,604,000). | | Bank overdraft | 2,000 | 2,000 |
| | Unused facilities | 2,000 | 2,000 |
| Note 32 | Restricted assets | | |
| | Council has cash and cash equivalents (note 17) that are subject to restrictions. As at the reporting date, Council had restrictions in relation to employee entitlements (Long Service Leave). | | |
| | Long service leave (note 25) * | 2 760 | 3 010 |
| | Long service leave (note 25) * | 3,760 | 3,012 |
| | Total restricted assets | 3,760 | 3,012 |
| | | | |

^{*} Restricted asset for long service leave is based on the Local Government (Long Service Leave) Regulations 2002 and does not necessarily equate to the long service leave liability disclosed in note 25 due to a different basis of calculation prescribed by the regulation. Due a legislative change in 2012, long service leave no longer needs to be treated as a restricted asset, however Council has continued to treat it as restricted.

Note 36 Contingent liabilities and contingent assets

Contingent liabilities

Council has obligations under a defined benefit superannuation scheme that may result in the need to make additional contributions to the scheme to ensure that the liabilities of the fund are covered by the assets of the fund. As a result of the volatility in financial markets the likelihood of making such contributions in future periods exists. At this point in time it is not known if additional contributions will be required, their timing or potential amount.

Guarantees for loans to other entities: Nil

Note 37 Financial Instruments

(a) Accounting Policy, terms and conditions

| Recognised financial | | | |
|---|------|--|--|
| instruments | Note | Accounting Policy | Terms and Conditions |
| Financial assets | | | |
| Cash and cash equivalents | 17 | Cash on hand and at bank and money market call account are valued at face value. | On call deposits returned a floating interest rate of 2.80% -3.50% (3.5% - 4.75% in 2011/12). The interest rate at balance date was 2.8% (3.5% at 30 June 2012). |
| | | Interest is recognised as it accrues. | Funds returned fixed interest rate of between 3.17% (4.8% in 2011/12), and 5.11% (5.9% in 2011/12) net of fees. |
| | | Investments and bills are valued at cost. | |
| | | Investments are held to maximise interest returns of surplus cash. | |
| | | Interest revenues are recognised as they accrue. | |
| - | | Managed funds are measured at market value. | |
| Trade and other r | | | |
| Other debtors | 18 | Receivables are carried at nominal amounts due less any provision for doubtful debts. A provision for doubtful debts is recognised when collection in full is no longer probable. Collectibility of overdue accounts is assessed on an ongoing basis. | General debtors are unsecured and interest free. Credit terms are based on 30 days. |
| Financial Liabilitie | es | | |
| Trade and other payables | 23 | Liabilities are recognised for amounts to be paid in the future for goods and services provided to Council as at balance date whether or not invoices have been received. | General Creditors are unsecured, not subject to interest charges and are normally settled within 30 days of statement receipt. |
| Interest-bearing loans and borrowings | 26 | Loans are carried at their principal amounts, which represent the present value of future cash flows associated with servicing the debt. Interest is accrued over the period it becomes due and recognised as part of payables. | Borrowings are secured by way of mortgages over the general rates of the Council. The weighted average interest rate on borrowings is 6.67% during 2012/13 (6.92% in 2011/12). Borrowings are fixed interest rate - principal and interest payments. Fixed Interest - P&I - \$47,134,817 - interest rates vary between 4.07% and 8.136%, maturing between |
| Bank overdraft | 31 | Council has a \$2.0m overdraft facility with Westpac (\$2.0m in 2011/12). Overdrafts are recognised at the principal amount. Interest is charged as an expense as it accrues. | 24/10/2018 and 18/06/2028 The overdraft is subject to annual review. It is secured by a mortgage over Council's general rates and is repayable on demand. The interest rate as at balance date was 9.48% (10.36% in 2011/12). |

Note 37 Financial instruments (cont.)

(b) Interest Rate Risk

The exposure to interest rate risk and the effective interest rates of financial assets and financial liabilities, both recognised and unrecognised, at balance date are as follows:

| Total Financial liabilities | 67,357 | 65,153 | 67,357 | 65,153 | | |

(d) Credit Risk

The maximum exposure to credit risk at balance date in relation to each class of recognised financial asset is represented by the carrying amount of those assets as indicated in the Balance Sheet.

(e) Risks and mitigation

The risks associated with our main financial instruments and our policies for minimising these risks are detailed below.

Market risk

Market risk is the risk that the fair value or future cash flows of our financial instruments will fluctuate because of changes in market prices. The Council's exposures to market risk are primarily through interest rate risk with only insignificant exposure to other price risks and no exposure to foreign currency risk. Components of market risk to which we are exposed are discussed below.

Interest rate risk

Interest rate risk refers to the risk that the value of a financial instrument or cash flows associated with the instrument will fluctuate due to changes in market interest rates. Interest rate risk arises from interest bearing financial assets and liabilities that we use. Non derivative interest bearing assets are predominantly short term liquid assets. Our interest rate liability risk arises primarily from long term loans and borrowings at fixed rates which exposes us to fair value interest rate risk

Our loan borrowings are sourced from major Australian banks by a tender process. Finance leases are sourced from major Australian financial institutions. Overdrafts are arranged with major Australian banks. We manage interest rate risk on our net debt portfolio by:

- ensuring access to diverse sources of funding;
- reducing risks of refinancing by managing in accordance with target maturity profiles; and
- setting prudential limits on interest repayments as a percentage of rate revenue.

We manage the interest rate exposure on our debt portfolio by appropriate budgeting strategies and obtaining approval for borrowings from the Department of Planning and Community Development each year.

Investment of surplus funds is made with approved financial institutions under the Local Government Act 1989. We manage interest rate risk by adopting an investment policy that ensures

- conformity with State and Federal regulations and standards,
- capital protection,
- appropriate liquidity,
- diversification by credit rating, financial institution and investment product,

- monitoring of return on investment,
- benchmarking of returns and comparison with budget.

Maturity will be staggered to provide for interest rate variations and to minimise interest rate risk.

Credit Risk

Credit risk is the risk that a contracting entity will not complete its obligations under a financial instrument and cause us to make a financial loss. We have exposure to credit risk on most financial assets included in our balance sheet. However not all financial assets are exposed to credit risk ie. rates debtors have a charge over the property. To help manage this risk:

- we have a policy for establishing credit limits for the entities we deal with;
- we may require collateral where appropriate; and
- we only invest surplus funds with financial institutions which have a recognised credit rating specified in our investment policy

Trade and other receivables consist of a large number of customers, spread across the consumer, business and government sectors. Credit risk associated with the Council's financial assets is minimal because the main debtor is the Victorian Government. Apart from the Victorian Government we do not have any significant credit risk exposure to a single customer or groups of customers. Ongoing credit evaluation is performed on the financial condition of our customers and, where appropriate, an allowance for doubtful debts is raised.

We may also be subject to credit risk for transactions which are not included in the balance sheet, such as when we provide a guarantee for another party. Details of our contingent liabilities are disclosed in note 36.

| Movement in Provisions for Doubtful Debts - Other Debtors | 2013 \$'000 | 2012 \$'000 |
|---|----------------|----------------|
| Balance at the beginning of the year | (71) | (12) |
| New Provisions recognised during the year | - | (59) |
| Amounts already provided for and written off as uncollectible | 9 | - |
| Amounts provided for but recovered during the year | - | - |
| Balance at end of year | (62) | (71) |
| Movement in Provisions for Doubtful Debts - Infringements | 2013 \$'000 | 2012 \$'000 |
| Balance at the beginning of the year | (247) | (219) |
| New Provisions recognised during the year | - | (27) |
| Amounts already provided for and written off as uncollectible | 247 | - |
| Amounts provided for but recovered during the year | - | - |
| Balance at end of year | (0) | (247) |

Ageing of Trade and Other Receivables

At balance date other debtors representing financial assets were past due but not impaired. These amounts relate to a number of independent customers for whom there is no recent history of default. The ageing of the Council's Trade & Other Receivables was:

| | 2013 | 2012 |
|---------------------------------|--------|--------|
| | \$'000 | \$'000 |
| Current (not yet due) | 1,251 | 722 |
| Past due by up to 30 days | 1,438 | 842 |
| Past due between 31 and 60 days | 175 | 113 |
| Past due by more than 60 days | 2,931 | 4,715 |
| Total Trade & Other Receivables | 5,795 | 6,392 |

Notes to the Financial Report For the Twelve Months Ended 30 June 2013

Liquidity risk

Liquidity risk includes the risk that, as a result of our operational liquidity requirements:

- we will not have sufficient funds to settle a transaction on the date;
- we will be forced to sell financial assets at a value which is less than what they are worth; or
- we may be unable to settle or recover a financial assets at all.

To help reduce these risks we:

- have a liquidity policy which targets a minimum and average level of cash and cash equivalents to be maintained;
- have readily accessible standby facilities and other funding arrangements in place;
- have a liquidity portfolio structure that requires surplus funds to be invested within various bands of liquid instruments;
- monitor budget to actual performance on a regular basis; and
- set limits on borrowings relating to the percentage of loans to rate revenue and percentage of loan principal repayments to rate revenue.

The Councils exposure to liquidity risk is deemed insignificant based on prior periods' data and current assessment of risk.

The table below lists the contractual maturities for Financial Liabilities

These amounts represent undiscounted gross payments including both principal and interest amounts for loans and borrowings. They also include the commitments which have been entered into by the council.

| 2013 | 6 mths or less | 6-12 mths | 1-2 yrs | 2-5 yrs | >5 yrs | Contracted Cash Flow | Carrying Amount |
|-------------------------------------|----------------|-----------|---------|---------|--------|-------------------------|--------------------|

2012 interest bearing loans & borrowings figures have been updated to exclude interest on loans yet to be taken out.

Notes to the Financial Report For the Twelve Months Ended 30 June 2013

(f) Sensitivity disclosure analysis

Taking into account past performance, future expectations, economic forecasts, and management's knowledge and experience of the financial markets, the Council believes the following movements are 'reasonably possible' over the next 12 months (Base rates are sourced from Reserve Bank of Australia)

- A parallel shift of +2% and -1% in market interest rates (AUD) from year-end rates.

The table below discloses the impact on net operating result and equity for each category of financial instruments held by the Council at year-end, if the above movements were to occur.

| | Carrying amount subject to interest | | Interest rate risk | | | |
|---|--|---------|--------------------|---------|-----------|--|
| | | -1 | % | 2 | % | |
| | | 100 bas | is points | 200 bas | is points | |
| | <u>-</u> | Profit | Equity | Profit | Equity | |
| 2013 | \$'000 | \$'000 | \$'000 | \$'000 | \$'000 | |

| Fees for other services | 8 | 3 |
| | 140 | 163 |

Note 39 Events occurring after balance date

No matters have occurred after balance date that require disclosure in the financial report.

Note 40 Related party transactions

(i) Responsible Persons

Names of persons holding the position of a Responsible Person at the Council at any time during the year are:

Councillors Councillor Brett Owen 1/7/12 - 30/6/13 (Mayor 12/11/12 - 30/6/13)

Councillor Ed Chatwin 1/7/12 - 29/10/12 (Mayor 1/7/12 to 29/10/12)

Councillor Graeme Legge 1/7/12 - 29/10/12 Councillor Stuart Halligan 1/7/12 - 29/10/12 Councillor George Blenkhorn 1/7/12 - 30/6/13 Councillor Collin Ross 1/7/12 - 30/6/13 Councillor Graeme Moore 1/7/12- 30/6/13 Councillor Tania Baxter 29/10/12 - 30/6/13 Councillor Kate Lempriere 29/10/12 - 30/6/13 Councillor Jodie Owen 29/10/12 - 30/6/13

Councillor Leticia Wilmot 29/10/12 - 30/6/13 Councillor David Young 29/10/12 - 30/6/13

Garry McQuillan (10/12/06 to current) Chief Executive Officer

(ii) Remuneration of Responsible Persons

The numbers of Responsible Officers, whose total remuneration from Council and any related entities fall 2013 2012 within the following bands: No. No. - \$9,999 2 0 \$10,000 - \$19,999 5 0 \$20.000 - \$29.999 5 \$30,000 - \$39,999 0 \$40,000 - \$49,999 2 \$50,000 - \$59,999 0 \$240,000 - \$249,999 0 \$270,000 - \$279,999 0 \$330,000 - \$339,999 13 8 \$'000 \$'000

589

500

Total Remuneration for the reporting year for Responsible Persons included above amounted to:

- (iii) No retirement benefits have been made by the Council to a Responsible Person. (2011/12, nil).
- (iv) No loans have been made, guaranteed or secured by the Council to a Responsible Person during the reporting year (2011/12, nil).
- (v) Other Transactions

No transactions other than remuneration payments or the reimbursement of approved expenses were entered into by Council with Responsible Persons, or Related Parties of such Responsible Persons during the reporting year (2011/12, nil).

(vi) Senior Officers Remuneration

A Senior Officer other than a Responsible Person, is an officer of Council whose total annual remuneration exceeds \$130,000, or if remuneration is less than \$130,000 has management responsibilities and reports directly to the Chief Executive Officer.

The number of Senior Officers other than the Responsible Persons, are shown below in their relevant income bands:

| | 2013 | 2012 |
|--|--------|--------|
| Income Range: | No. | No. |
| <\$130,000 | 1 | 4 |
| \$130,000 - \$139,999 | 7 | 3 |
| \$140,000 - \$149,999 | 8 | 6 |
| \$150,000 - \$159,999 | 2 | 0 |
| \$160,000 - \$169,999 | 2 | 1 |
| \$170,000 - \$179,999 | 0 | 0 |
| \$180,000 - \$189,999 | 0 | 1 |
| \$190,000 - \$199,999 | 0 | 0 |
| \$200,000 - \$209,999 | 0 | 3 |
| \$210,000 - \$219,999 | 3 | 0 |
| \$220,000 - \$229,999 | 0 | 1 |
| \$230,000 - \$239,999 | 0 | 0 |
| \$240,000 - \$249,999 | 1 | 0 |
| | 24 | 19 |
| | \$'000 | \$'000 |
| Total Remuneration for the reporting year for Senior Officers included above, amounted to: | 3,681 | 2,967 |

Notes to the Financial Report For the Twelve Months Ended 30 June 2013

Note 41 Joint Venture Information

Cardinia Shire Council has made payments to the Casey-Cardinia Library Corporation totalling \$1.630m (2011/12 \$1.361m). Revenue of 1k was received in 2012/13 (2011/12 nil).

The council does not have any assets or liabilities, which are committed to the Casey-Cardinia Library Corporation.

FUNCTIONS/ACTIVITIES*

Infrastructure

To identify, plan for, and ensure the provision of the necessary infrastructure commensurate with the needs of the Cardinia community.

Infrastructure includes the following programs:

Asset Management Footpaths and Street Furniture Building Maintenance Operations Management Operations Management Sealed Road Maintenance Cleaning Services
Parks Aquatic and Recreation Facilities Emergency Management Unsealed Road Maintenance Fleet Operations

Land Use Development

To use the land use provisions and policies to build sustainable, strong communities across Cardinia

Land Use Development includes the following programs:

Strategic Planning Statutory Planning Subdivision Approval Building Control

Social & Community Wellbeing

To maintain safe, supportive communities that encourage healthy lifestyles across the shire.

Social and Community Well Being includes the following programs:

Library Children's Services Community Complexes Community Law Enforcement Out of School Hours and Vacation Care Animal Control Arts Programs and Festivals Community Development and Research Youth Recreation Planning Community Services Management School Crossings Recreation Projects Social support Maternal & Child Health **Economic Development**

Health Cardinia Cultural Centre Infectious Disease Control Community Sustainability Management

Council and the Organisation

To provide open transparent government together with appropriate financial and human resources to service the Cardinia community.

Council and the Organisation includes the following

 Council
 Communication
 Information Technology
 Information Services

 Corporate Management
 Financial Management
 Property Management
 Customer Service

 Organisation Development
 Governance and Policy
 Community Liaison
 Rates and Valuations

Environment

To manage the impact on the natural and built environment to ensure an ecologically sustainable Cardinia

Environment includes the following programs:

Environment EPA Health Domestic Waste Water Environment Maintenance and Programs

^{*}Assets have been attributed to functions/activities based on the control and/or custodianship of specific assets.

Note 43 Financial ratios (Performance indicators)

2013 2013 2012 2012 \$'000 (%) \$'000 (%)

 (a) Debt servicing ratio (to identify the capacity of Council to service its outstanding debt)

Debt servicing costs
Total income

 $\frac{3,152}{128,131} = 2.46\% \quad \frac{3,053}{125,119} = 2.44\%$

Debt servicing costs refer to the payment of interest on loan borrowings, finance lease, and bank overdraft. The ratio expresses the amount of interest paid as a percentage of Council's total income.

(b) Debt commitment ratio (to identify Council's debt redemption strategy)

Debt servicing & redemption costs

Rates income

$$\frac{6,764}{58,050} = 11.65\% \frac{6,732}{52,885} = 12.73\%$$

The strategy involves the payment of loan principal and interest, finance lease principal and interest. The ratio expresses the percentage of rate revenue utilised to pay interest and redeem debt principal.

(c) Revenue ratio (to identify Council's dependence on non-rate income)

Rates income

Total income

$$\frac{58,050}{128,131}$$
 = 45.31% $\frac{52,885}{125,119}$ = 42.27%

The level of Council's reliance on rate revenue is determined by assessing rate revenue as a proportion of the total revenue of Council.

(d) Debt exposure ratio (to identify Council's exposure to debt)

Total indebtedness

Total realisable assets

$$\frac{69,583}{417,304}$$
 = 1 to 5.99 $\frac{67,703}{351,871}$ = 1 to 5.19

For the purposes of the calculation of financial ratios, realisable assets are those assets which can be sold and which are not subject to any restriction on realisation or use.

Any liability represented by a restricted asset (note 32) is excluded from total indebtedness.

The following assets are excluded from total assets when calculating Council's realisable assets:

- land and buildings on Crown land; restricted assets; heritage assets; total infrastructure assets; and Council's investment in

(e) Working capital ratio (to assess Council's ability to meet current commitments)

This ratio enables assessment of Council's solvency and exposure to debt. Total indebtedness refers to the total liabilities of Council. Total liabilities are compared to total realisable assets which are all Council assets not subject to any restriction and are able to be realised. The ratio expresses the percentage of total liabilities for each dollar of realisable assets.

Current assets

Current liabilities

$$\frac{66,059}{29.333}$$
 = 2.25 $\frac{63,517}{23.939}$ = 2.65

The ratio expresses the level of current assets the Council has available to meet its current liabilities.

Adjusted working capital ratio (to assess Council's ability to meet current commitments)

Current liabilities

$$\frac{66,059}{26,311} = 2.51 \frac{63,517}{21,521} = 2.95$$

The ratio expresses the level of current assets the Council has available to meet its current liabilities.

Current liabilities have been reduced to reflect the long service leave that is shown as a current liability because Council does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date, but is not likely to fall due within 12 months after the end of the period.

Note 44

| Not previously recognised assets | | 937 | 3,540 |
| Net movement in property, plant and equipment, infrastructure | | 110,706 | 44,332 |

(a) Renewal

Expenditure on an existing asset which returns the service potential or the life of the asset up to that which it had originally. It is periodically required expenditure, relatively large (material) in value compared with the value of the components or sub-components of the asset being renewed. As it reinstates existing service potential, it has no impact on revenue, but may reduce future operating and maintenance expenditure if completed at the optimum time.

(b) Upgrade

Expenditure which enhances an existing asset to provide a higher level of service or expenditure that will increase the life of the asset beyond that which it had originally. Upgrade expenditure is discretional and often does not result in additional revenue unless direct user charges apply. It will increase operating and maintenance expenditure in the future because of the increase in the council's asset base.

(c) New Assets

Expenditure which creates a new asset that did not exist before.

(d) Transfers from Capital Works to Operating

This includes projects accounted for as operating but managed as part of the capital works program.

Certification of the Financial Report

In my opinion the accompanying financial statements have been prepared in accordance with the Local Government Act 1989, the Local Government (Finance and Reporting) Regulations 2004, Australian Accounting Standards and other mandatory professional reporting requirements.

Jo Harris

Chief Finance Officer

Date: 16 September 2013

Pakenham

In our opinion the accompanying financial statements present fairly the financial transactions of Cardinia Shire Council for the year ended 30 June 2013 and the financial position of the Council as at that date.

As at the date of signing, we are not aware of any circumstances which would render any particulars in the financial statements to be misleading or inaccurate.

We have been authorised by the Council on 16 September 2013 to certify the financial statements in their final form.

Councillor George Blenkhorn

Date: 16 September 2013

Pakenham

Councillor Kate Lempriere

Date: 16 September 2013 Pakenham

Micheal Ellis

Acting Chief Executive Officer

Date: 16 September 2013

Pakenham

Standard statements

For the year ended 30 June 2013

Cardinia Shire Council

STANDARD STATEMENTS

INTRODUCTION

Note 1 Basis of preparation of Standard Statements

Council is required to prepare and include audited Standard Statements within its Annual Report. Four Statements are required - a Standard Income Statement, Standard Balance Sheet, Standard Statement of Cash Flows, and a Standard Statement of Capital Works, together with explanatory notes.

These statements and supporting notes form a special purpose financial report prepared to meet the requirements of the Local Government Act 1989 and Local Government (Finance and Reporting) Regulations 2004.

The Standard Statements have been prepared on an accounting basis consistent with those used for General Purpose Financial Statements and the Budget. The result reported in these statements are consistent with those reported in the General Purpose Financial Statements.

The Standard Statements are not a substitute for the General Purpose Financial Statements, which are included in the Annual Report. They have not been prepared in accordance with all Australian Accounting Standards or other authoritative professional pronouncements.

The Standard Statements compare council's financial plan, expressed through its budget, with actual performance. The Local Government Act 1989 requires explanation of any material variances. The Council has adopted a materiality threshold of ten per cent. Explanations have not been provided for variations below the materiality threshold unless the variance is considered to be material because of its nature.

The budget figures included in the Statements are those adopted by Council in June 2012. The budget was based on assumptions that were relevant at the time of adoption of the budget. The Council set guidelines and parameters for revenue and expense targets in this budget in order to meet council's business plan and financial performance targets for both the short and long term. The budget did not reflect any changes to equity resulting from assets revaluations, as their impacts were not considered predictable.

Detailed information on the actual financial results are contained in the General Purpose Financial Statements. The detailed budget can be obtained by contacting council or through the council's website. The Standard Statements must be read with reference to these documents.

STANDARD INCOME STATEMENT

FOR THE YEAR ENDED 30 JUNE 2013

STANDARD INCOME STATEMENT

FOR THE YEAR ENDED 30 JUNE 2013

1. Rates & Charges (\$0.101m unfavourable)

Waste related income is \$190k under budget due lower than forecasted new services, but has been partly offset by rate revenue which is \$89k better than forecast.

2. User Fees (\$0.375m unfavourable)

User fees are under budget primarily due to lower than forecasted income of \$215k in Council owned facilities (managed via section 86 committees). In addition, Council managed Outside School Hours Care services are \$79k below forecast.

3. Contributions - Cash (\$0.532m favourable)

Cash contributions are favourable due to a change in the accounting treatment of native vegetation developer contributions.

4. Development Levies - Cash (\$0.697m unfavourable)

Development levies in total have an unfavourable variance of \$1.723m due to a downturn in development activity. Capital contributions are \$1.026m better than budget due to the recognition of unbudgeted contributions for works on Council facilities. This income is offset in the capital expenditure report.

5. Contributions - Non-Monetary Assets (\$9.839m favourable)

The budget for these is an estimate. Council receives and brings to account assets that have been 'contributed' or donated by developers, and includes assets such as land, roads, and footpaths. Unbudgeted non-cash contributions totalling \$15.152m have been partly offset by developer contributed assets which are \$5.313m under budget.

6. Grants - Recurrent (\$7.156m favourable)

Favourable variance is mainly due to recognition of grants totalling \$5.967m which were budgeted as non-recurrent grants. Also, the Victorian Grants Commission operating grants were \$644k better than budgeted, and significant unbudgeted grants have been received for Emerald Lake Park vegetation management (\$150k), Halve Your Waste program (\$139k), and Natural Disaster Relief Funding (\$104k).

7. Grants - Non-Recurrent (\$2.934m unfavourable)

As mentioned above, \$5.967m of grants budgeted as non-recurrent grants have been recognised in recurrent grants. Budgeted grants for Toomah Community Centre and IYU Recreation Reserve were \$990k and \$405k under budget respectively. These have been partly offset by recognition of unbudgeted grants totalling \$4.559m, the most significant being \$1.998m for Lakeside South Children's/Community Centre.

8. Interest Income (\$0.501m favourable)

Interest on investments are \$501k better than budget in total, primarily due to interest on developer contribution plan (DCP) investments which are \$374k better due to higher investment balances than anticipated.

9. Net Gain/(Loss) on Disposal of Property, Plant and Equipment (\$2.786m unfavourable)

Net loss on disposal of infrastructure assets disposed during the year total \$1.619m, and net proceeds from land sales are \$1.274m under budget. These have been partly offset by net proceeds from the sale of plant which are \$107k better than budget.

10. Other Income (\$6.594m favourable)

Assets to the value of \$3.099m which were impaired as a result of the February 2011 and June 2012 floods have been restored during the year. Also, unbudgeted cost recoveries totalling \$3.241m have been recognised, the most significant being \$1.241m from Melbourne Water for drainage works. Note that cost recovery income is offset by expenditure across all expense groups.

11. Employee Benefits (\$0.427m favourable)

Actual salaries and oncosts were \$1.007m under budget for the year, primarily due to staff vacancies. Yearend adjustments totalling \$580k were made to recognise the balance of the contributions tax relating to the unfunded defined benefits superannuation liability, and adjustments to bring the long service leave, annual leave, and workcover provisions up to the required balances.

STANDARD INCOME STATEMENT

FOR THE YEAR ENDED 30 JUNE 2013

12. Materials and Services (\$9.517m unfavourable)

The major unfavourable variance is unbudgeted expenditure of \$3.263m on rectification works required as a result of the February 2011 and June 2012 floods across the Shire, and has been partly recovered by grants from the State Government. Other significant variances are due to Capital Works, Priority Works, and Community Capital Works expenditure totalling \$3.227m which is budgeted in the Capital Works program, and unbudgeted drainage works totalling \$1.228m which has been recovered from Melbourne Water.

13. Bad and Doubtful Debts (\$0.448m unfavourable)

Unfavourable variance is mainly due to the recognition of a bad debt of \$313k relating to the construction of the Syme and Pakenham Roads intersection.

14. Other Expenses (\$1.682m unfavourable)

Further impairment of assets as a result of the June 2012 floods to the value of \$2.903m, and a decrease in value of \$577k for a parcel of land under roads, have both been recognised. These have been partly offset by Rental Property rent/lease expenditure which is \$1.012m under budget, and compost bin and 80 litre garbage bin rebates which are \$646k under.

STANDARD BALANCE SHEET

STANDARD BALANCE SHEET

AS AT 30 JUNE 2013

1. Cash and Cash Equivalents

Cash and cash equivalents as at 30 June 2013 are \$20.029m higher than budget, due to the opening cash balance which was higher than budget by \$18.923m and net cash flows which had a positive variance of \$1.107m. Refer to the Standard Statement of Cash Flows for further information.

2. Trade and Other Receivables

Receivables are \$6.538m higher than budget, mainly due to the inclusion of Cardinia Road DCP debtors which have a closing balance of \$2.946m, and \$1.515m due from VicRoads in relation to works at the Cardinia Rd and Princes Highway intersection.

3. Land Held for Resale

The balance of \$11.355m represents the remaining 107.4 hectares to be sold at the South East Business Park anytime in the future.

4. Investments in Associates

The balance of \$1.021m represents Cardinia Shire Council's share in the equity of the Casey-Cardinia Library Corporation based on population and usage.

5. Property, Infrastructure, Plant and Equipment

Property, plant and equipment balance is \$152.438m higher than budget, due to a combination of higher opening balances totalling \$69.902m and net revaluation increments totalling \$74.744m.

6. Trade and Other Payables

Trade and other payables are \$11.030m higher than budget due to the recognition of \$3.443m of developer contribution plan (DCP) debtors with a balance for future works, and the move of \$3.238m for the unfunded superannuation liability to a current liability, \$2.903m of accrued expenses and orders which have been receipted but their invoice has not yet been received, and \$727k of income in advance.

7. Provisions

In total, provisions are \$1.494m higher than budget mainly due to increases in the annual leave and long service leave provisions. Provisions are reviewed and adjusted at the end of each financial year to ensure they hold the required amounts.

STANDARD STATEMENT OF CASH FLOWS

FOR THE YEAR ENDED 30 JUNE 2013

1. Statutory Fees and Fines

Actual income for Statutory Fees and Fines was \$2.643m, which was \$52k or 2% better than budget. Adjustments have been made to this for a decrease in infringement debtors. Also, a GST component is included in the actuals but not in the budget.

2. User Fees

Refer to comments on variances in the Standard Income Statement Note 2. User Fees as per the Standard Income Statement have been adjusted for increases in outstanding debtors, fees held in trust, and fee income received in advance. Also, a GST component is included in the actuals but not in the budget.

3. Grants

Refer to comments on variances in the Standard Income Statement Notes 6 and 7. In addition to those comments, there was a higher balance of outstanding invoices at the end of the current financial year than the previous year, having a negative impact on cash flow. Also, a GST component is included in the actuals but not in the budget.

4. Contributions - Cash

Refer to comments on variances in the Standard Income Statement Note 3. In addition to those comments, the balance of scheme debtors has increased from the previous year, having a negative impact on cash flow.

5. Development Levies - Cash

Refer to comments on variances in the Standard Income Statement Note 4. In addition to those comments, the balance of development levy debtors and creditors have both increased from the previous year, having a net positive impact on cash flow.

6. Interest Income

Refer to comments on variances in the Standard Income Statement Note 8. In addition to those comments, the balance of accrued interest income has increased from the previous year, having a negative impact on cash flow.

7. Other Revenue

Refer to comments on variances in the Standard Income Statement Note 10. In addition to those comments, the balance of accrued income has increased from the previous year, having a negative impact on cash flow. The income recognised from the reinstatement of impaired assets which is shown in the Standard Income Statement is not included in the Standard Statement of Cash Flows as it is a non-cash item. Also, a GST component is included in the actuals but not in the budget.

8. GST

Net actual GST reimbursement of \$3.750m includes GST on income from User Fees, Statutory Fees and Fines, Grants, Other Revenue, Proceeds from Sale of Property, Infrastructure, Plant & Equipment, and expenditure on Payments to Suppliers and Payments for Property, Plant, Infrastructure and Equipment.

9. Suppliers

Refer to comments on variances in the Standard Income Statement Notes 12 and 14. In addition to those comments, the balance of prepayments, inventories, and payables have all decreased from the previous year having a net negative impact on cash flow. The expense recognised for the impairment of assets which is shown in the Standard Income Statement is not included in the Standard Statement of Cash Flows as it is a non-cash item. Also, a GST component is included in the actuals but not in the budget.

STANDARD STATEMENT OF CASH FLOWS

FOR THE YEAR ENDED 30 JUNE 2013

10. Payments for Property, Plant and Equipment

The cash flow amount for Payments for Property, Plant & Equipment is based on movement in the balance of Infrastructure Assets plus or minus adjustments for receivables, payables, asset revaluation reserve movement, non-cash contributions, written down value of assets sold, depreciation, and impairment movement.

11. Proceeds from Sale of Property, Plant and Equipment

Refer to comments on variances in the Standard Income Statement Note 9. In addition to those comments, the balance of land held for resale has decreased from the previous year, having a positive impact on cash flow. The written down value of assets sold which is shown in the Standard Income Statement is not included in the Standard Statement of Cash Flows as it is a non-cash item. Also, a GST component is included in the actuals but not the budget.

STANDARD STATEMENT OF CAPITAL WORKS

FOR THE YEAR ENDED 30 JUNE 2013

| | Actuals 2012/13 \$'000 | Budget 2012/13 \$'000 | Variances 2012/13 \$'000 | Variances 2012/13 % | Ref |
|----------------------------|------------------------------|-----------------------------|--------------------------------|---------------------------|--------|
| Capital Works Areas | | | | | |
| Roads and Footpaths | 11,469 | 16,322 | (4,853) | (30%) | 1 |
| Drains | 1,517 | 3,550 | (2,033) | (57%) | 2 |
| Open Space | 1,114 | 5,880 | (4,766) | (81%) | 3 |
| Buildings | 5,581 | 6,065 | (484) | (8%) | 4 |
| Plant, Equipment and Other | 2,908 | 3,955 | (1,047) | (26%) | 5 |
| Total Capital Works | 22,589 | 35,772 | (13,183) | (37%) | · : |
| Represented By: | | | | | |
| New | 11,932 | 21,255 | (9,323) | (44%) | |
| Upgrade/Renewal/Other | 10,657 | 14,517 | (3,860) | (27%) | |
| Total Asset Renewal | 22,589 | 35,772 | (13,183) | (37%) | • |

Explanation of variances:

Note: All references to budget are to the 2012/13 original budget which does not include any unspent budget allocated in previous years.

1. Roads and Footpaths

Roads and footpaths expenditure is \$4.853m under budget. Three Cardinia Road developer contribution plan (DCP) projects totalling \$7.764m which were to be constructed by developers not yet being delivered. Budgeted expenditure of \$2.0m on roads reinstatement from flood damage is recognised in the Standard Income Statement, primarily materials and services. McGregor Road duplication is \$500k under budget due to project delays. Works totalling \$3.044m at Heatherbrae Recreation Reserve are budgeted in the Open Space category plus unspent funds from previous years.

2. Drains

Drains expenditure is \$2.033m under budget. Budgeted expenditure of \$2.0m on drains reinstatement from flood damage is recognised in the Standard Income Statement, primarily materials and services. Drainage replacement works are \$108k over budget, but have been offset by flood mitigation drainage works which are \$124k under.

3. Open Space

Open Space expenditure is \$4.766m under budget. Land acquistions are \$2.235m under budget and expenditure on the regional soccer facility at IYU Recreation Reserve is \$1.1m under budget due to project delays. Heatherbrae Recereation Reserve has a budget of \$1.519m in this category, but the actuals are in Roads & Footpaths.

4. Buildings

Buildings expenditure is \$484k under budget. Toomah Community Centre is \$3.464m under budget due to project delays. Holm Park Road Recreation Reserve building construction is \$1.739m over budget, but has been partly funded by under expenditure in previous years, grants, and cash contributions.

5. Plant, Equipment & Other

Plant, Equipment and Other expenditure is \$1.047m under budget. This is mainly due to Priority Works projects which had a total budget of \$595k in the Capital Works program, but the actual expenditure is included in the Standard Income Statement. Other significant items under budget include IT Strategy (\$207k), and township strategy projects (\$200k). These have been partly offset by replacement plant and equipment replacement which is \$483k over budget, and has been funded by unspent allocations from previous years.

Certification of the Standard Statements

In my opinion the accompanying standard statements have been prepared on accounting bases consistent with the financial statements, and in accordance with the *Local Government Act* 1989, and the Local Government (Finance and Reporting) Regulations 2004.

Jo Harris

Chief Finance Officer

Date: 16 September 2013

In our opinion the accompanying standard statements have been prepared on accounting bases consistent with the financial statements, and in accordance with the *Local Government Act* 1989, and the Local Government (Finance and Reporting) Regulations 2004.

As at the date of signing, we are not aware of any circumstances which would render any particulars in the standard statements to be misleading or inaccurate.

We have been authorised by the Council on 16 September 2013 to certify the standard statements in their final form.

INDEPENDENT AUDITOR'S REPORT

To the Councillors, Cardinia Shire Council

The Financial Report and Standard Statements

The accompanying financial report for the year ended 30 June 2013 of the Cardinia Shire Council which comprises comprehensive income statement, balance sheet, statement of changes in equity, cash flow statement, notes comprising a summary of the significant accounting policies and other explanatory information, and the certification of the financial report has been audited.

The accompanying standard statements for the year ended 30 June 2013 of the Council which comprises standard income statement, standard balance sheet, standard statement of cash flows, standard statement of capital works, the related notes and the certification of the standard statements have been audited.

The Councillors' Responsibility for the Financial Report and Standard Statements

The Councillors of the Cardinia Shire Council are responsible for the preparation and the fair presentation of:

- the financial report in accordance with Australian Accounting Standards, and the financial reporting requirements of the *Local Government Act 1989*
- the standard statements in accordance with the basis of preparation as described in Note 1 to the statements and the requirements of the Local Government Act 1989.

The Councillors are responsible for such internal control as the Councillors determine is necessary to enable the preparation and fair presentation of the financial report and standard statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

As required by the *Audit Act 1994* and the *Local Government Act 1989*, my responsibility is to express an opinion on the financial report and standard statements based on the audit, which has been conducted in accordance with Australian Auditing Standards. Those standards require compliance with relevant ethical requirements relating to audit engagements and that the audit be planned and performed to obtain reasonable assurance about whether the financial report and standard statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report and standard statements. The audit procedures selected depend on judgement, including the assessment of the risks of material misstatement of the financial report and standard statements, whether due to fraud or error. In making those risk assessments, consideration is given to the internal control relevant to the entity's preparation and fair presentation of the financial report and standard statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Councillors, as well as evaluating the overall presentation of the financial report and standard statements.

Independent Auditor's Report (continued)

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

The Auditor-General's independence is established by the *Constitution Act 1975*. The Auditor-General is not subject to direction by any person about the way in which his powers and responsibilities are to be exercised. In conducting the audit, the Auditor-General, his staff and delegates complied with all applicable independence requirements of the Australian accounting profession.

Opinion

In my opinion:

- (a) the financial report presents fairly, in all material respects, the financial position of the Cardinia Shire Council as at 30 June 2013 and of its financial performance and its cash flows for the year then ended in accordance with applicable Australian Accounting Standards, and the financial reporting requirements of the *Local Government Act 1989*
- (b) the standard statements present fairly, in all material respects, in accordance with the basis of preparation as described in Note 1 to the statements and the requirements of the *Local Government Act 1989*.

Basis of Accounting for Standard Statements

Without modifying my opinion, I draw attention to Note 1 to the standard statements, which describes the basis of accounting. The standard statements are prepared to meet the requirements of the *Local Government Act 1989*. As a result, the standard statements may not be suitable for another purpose.

Matters Relating to the Electronic Publication of the Audited Financial Report and Standard Statements

This auditor's report relates to the financial report and standard statements of the Cardinia Shire Council for the year ended 30 June 2013 included both in the Cardinia Shire Council's annual report and on the website. The Councillors of the Cardinia Shire Council are responsible for the integrity of the Cardinia Shire Council's website. I have not been engaged to report on the integrity of the Cardinia Shire Council's website. The auditor's report refers only to the subject matter described above. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of the financial report and standard statements are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report and standard statements to confirm the information contained in the website version of the financial report and standard statements.

MELBOURNE 20 September 2013 John Doyle

Auditor-General

Key Strategic Activities

Council's budget funds activities to deliver the council plan, key strategies and base services. One of the key challenges outlined in the Council plan is the growth in our communities over the foreseeable future. Of the many activities Council is undertaking to address this challenge six in particular were identified as key strategic activities for this reporting period. These activities demonstrate Council's focus on delivering to the whole of its community. They relate for planning for our new communities, new centres to improve service delivery, connectedness of our communities and infrastructure works to improve amenity of areas.

| Key Strategic Activity | Target | Measure & Timing | |
|---|-----------------------|------------------|---|
| Complete next stage of Holm Park Road recreation reserve including football/cricket pavilion, landscaping | Construction complete | 30-Jun-13 | Achieved The official reserve opening was held in April. The netball courts, landscaping and car parking has been completed. |
| Commence stage 1 of Regional Soccer Facility | Stage 1 delivered | 30-Jun-13 | Not Achieved Design for facility completed |
| Complete construction of Cardinia Lakes Community/Childrens Facility | Facility Opened | 30-Jun-13 | Achieved Centre officially opened November 2012 and commenced operations in 2013. |
| Completion of Pathways and landscaping works at Deep Creek Reserve | Works Complete | 30-Jun-13 | Achieved Shared footpath is complete which has given pedestrian/cycle access link from Cameron Way and Barrington Drive to Oaktree Drive. |
| Complete Stage 2 works at Emerald Lake Park involving Weed removal and arboretum works | Works Complete | 30-Jun-13 | Not Achieved Works on stage 2 are in progress but are not complete |

Certification of the Performance Statement

In our opinion the accompanying Performance Statement in respect of the 2012-13 financial year is presented fairly and in accordance with the Local Government Act.

The statement outlines the performance targets and measures set out in relation to the achievement of the budgeted key strategic activities in respect of the year as described in Council's budget and describes the extent to which the budgeted key strategic activities were met in that year having regard to those targets and measures.

As at the date of signing, we are not aware of any circumstances which would render any particulars in Performance Statement to be misleading or inaccurate.

INDEPENDENT AUDITOR'S REPORT

To the Councillors, Cardinia Shire Council

The Performance Statement

The accompanying performance statement for the year ended 30 June 2013 of the Cardinia Shire Council which comprises the statement and the certification of the performance statement has been audited.

The Councillors' Responsibility for the Performance Statement

The Councillors of the Cardinia Shire Council are responsible for the preparation and fair presentation of the performance statement in accordance with the *Local Government Act 1989* and for such internal control as the Councillors determine is necessary to enable the preparation and fair presentation of the performance statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

As required by the *Local Government Act 1989*, my responsibility is to express an opinion on the performance statement based on the audit, which has been conducted in accordance with Australian Auditing Standards. Those standards require compliance with relevant ethical requirements relating to audit engagements and that the audit be planned and performed to obtain reasonable assurance about whether the performance statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the performance statement. The audit procedures selected depend on judgement, including the assessment of the risks of material misstatement of the performance statement, whether due to fraud or error. In making those risk assessments, consideration is given to the internal control relevant to the entity's preparation and fair presentation of the performance statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the overall presentation of the performance statement.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independent Auditor's Report (continued)

Independence

The Auditor-General's independence is established by the *Constitution Act 1975*. The Auditor-General is not subject to direction by any person about the way in which his powers and responsibilities are to be exercised. In conducting the audit, the Auditor-General, his staff and delegates complied with all applicable independence requirements of the Australian accounting profession.

Auditor's Opinion

In my opinion, the performance statement of the Cardinia Shire Council in respect of the 30 June 2013 financial year presents fairly, in all material respects, in accordance with the *Local Government Act 1989*.

Matters Relating to the Electronic Publication of the Audited Performance Statement

This auditor's report relates to the performance statement of the Cardinia Shire Council for the year ended 30 June 2013 included both in the Cardinia Shire Council's annual report and on the website. The Councillors of the Cardinia Shire Council are responsible for the integrity of the Cardinia Shire Council's website. I have not been engaged to report on the integrity of the Cardinia Shire Council's website. The auditor's report refers only to the subject matter described above. It does not provide an opinion on any other information which may have been hyperlinked to/from this statement. If users of the performance statement are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited performance statement to confirm the information contained in the website version of the performance statement.

MELBOURNE 20 September 2013 John Doyle

Auditor-General
