***Cardinia's World Refugee Festival, is back by popular demand!!***

It is an opportunity to celebrate the strength, resilience and determination of men, women and children who were forced to flee their homeland and encountered all kinds of persecutions. We acknowledge and celebrate their incredible contribution today in their new land Australia.

It is a FREE day celebration, featuring refugee performers from around the world, with music, dance, food stalls from the diverse cuisines, youth, and children space, Meet and learn about the work of organisations that resettle and support refugees and much more.
