## Important information

### What to bring to your immunisation session:

- Your Child Health Record Book containing your child's previous immunisation records which will enable quick access to all your child's details
- Medicare card
- Your child's comfort item or special toy (if needed)

Following all vaccinations, it's recommended you wait for 15 minutes before leaving, just to check for possible reactions.

If your child has been ill, please seek advice from your family doctor about whether it is appropriate for them to attend an immunisation session.

Your child's immunisation records will be forwarded to the Australian Immunisation Register (AIR). This database is used to process childcare and/or kinder enrolments, school entry immunisation statements and family allowances relating to immunisation.

Cardinia residents may also access a community session held on a Saturdays at City of Casey & Baw Baw Shire Council. Please refer to the City of Casey or Baw Baw website for further information about dates & locations.
