Dear Sir/Madam,

Re: Response to RFI letter sent on 05 March 2026 of Planning Permit Application to vary and/or remove restrictive covenant

Property: 2 Bridle Place, Pakenham VIC 3810

**Title Details: Volume 09867 Folio 052
(Lot 210 on Plan of Subdivision 212286M)**

Covenant: P157057F

Application No.: T260064

This submission is made in support of an application to vary Restrictive Covenant **P157057F**, which burdens the subject land. The applicant seeks to vary specific restrictions regarding single dwelling covenant.

We are instructed to respond to the RFI letter requesting further information as follows:

Covenant P157057F was created on **11 April 1989**, burdening Lot 210 for the benefit of all other lots on Plan of Subdivision 212286M. The applicant specifically seeks to vary the following restrictions:

1. Restriction (a): Prohibits the erection of more than one dwellings on the said land.

(a) That I will not at any time hereafter erect or build or cause or suffer to be erected or built on any lot hereby transferred or on any part or parts thereof more than one private dwelling house.

We are not instructed to request vary and/or remove the restriction (b).

Grounds for variation/removal

Restriction (a) – single dwelling covenant

The variation of Restriction (a) is sought to permit the construction of two dwellings on the subject land. This variation is justified by the significant change in the character of the neighbourhood since 1989, as evidenced by established multi-dwelling developments on adjoining and nearby properties, including relatively recent planning approvals within the same plan of subdivision.

The proposal represents an efficient use of residential land that is consistent with current development patterns in the area and will not result in any substantial injury to those entitled to the benefit of the restriction.

Request to vary/remove the restrictive covenant

We, therefore, request that the Cardinia Shire Council consider this variation this variation to permit not more than two private dwellings in the said property. Given the current housing crisis, this development will help ease pressure on local housing supply by appropriately utilising a spacious lot of approximately 785 sqm. The proposal will not be detrimental to the neighbourhood, as it does not seek the complete removal of the restrictive covenant, thereby ensuring the area maintains a controlled population density while allowing for modern residential utility.

In response to the RFI letter provided to the applicant, we further confirm that Covenant P157057F exists.

In accordance with standard planning requirements for restrictive covenants, the following documents are enclosed:

- **Current Certificate of Title:** Showing the Registered Search Statement and Plan of Subdivision for Volume 09867 Folio 052 (produced 05 February 2026).
- **Instrument of Covenant P157057F:** A full copy of the covenanting instrument.
- **Beneficiary Identification Table:** A list of all lots/addresses on LP212286M that retain the legal benefit of the covenant.
- **List of beneficiaries to the Instrument P157057F (Covenant):** As per the restrictions, every single lot on the Plan - LP212286M are the benefitted land, and its owners.
- **Adjoining Property Analysis:** Documentation showing the prevalence of subdivided lots or second dwellings in the immediate vicinity to support the character assessment.

Please contact me directly regarding this request and planning permit application to vary the restrictions.
