EXECUTIVE SUMMARY

A proposed update to the Instrument of Delegation to amend and reflect changes which are required throughout the organisation.

BACKGROUND

Council previously resolved in May 2019 to delegate some duties and functions to specified members of Council staff under various legislative instruments. Due to changes to position titles, reporting lines, responsibilities and necessary requirements within the organisation it is essential to update these delegations.

It should be noted with the legislative changes occurring with the Local Government Act 2020, Council will no longer be able to delegate to Council staff (From September 2020) and these delegations take place through the CEO to staff Instrument.
