EXECUTIVE SUMMARY

This report recommends that Council, acting under clause 3 of schedule 10 of the Local Government Act 1989 (the Act) and also in accordance with sections 207A and 223 of the Act, commence the statutory procedures to discontinue the portion of road abutting 45 Jefferson Road Garfield, shown hatched on the attached plan (Road).

BACKGROUND

Council has been approached by Nobelius Land Surveyors, on behalf of the owner 45 Jefferson Road Garfield to discontinue the Road shown on the attached plan.

There are no other abutting properties that could share in this parcel and therefore consultation has not been required, however, the owner of the property north of this section of unused road will be notified when advertising is commenced. This section of Road currently forms part of the nature strip and is not required for future road widening. The owner of 45 Jefferson Road has indicated interest to purchase this land if the road is discontinued.

POLICY IMPLICATIONS

The proposal to discontinue and sell the Road has been carried out in accordance with the 'Discontinuance and sale of Roads and Right of Ways Policy' (Policy) in particular the land will be sold at market value and all costs passed on to the purchaser of the land.

RELEVANCE TO COUNCIL PLAN

The relevant Council Plan objective is that ‘We continue to plan and manage the natural and built environment for future generations’. The objective is to be achieved through balancing the needs of development, the community and the environment.

CONSULTATION/COMMUNICATION

Council departments and Service Authorities have been consulted concerning the existence of any assets and requirements with regards to easements. There are presently no services in the road reserve and no objections or requirements have been received.

Council is required to carry out the statutory procedures in relation to the proposal to discontinue and transfer the unused roads under the Act, including giving public notice of the intention to discontinue and transfer the roads, and hear any submissions received in this regard.

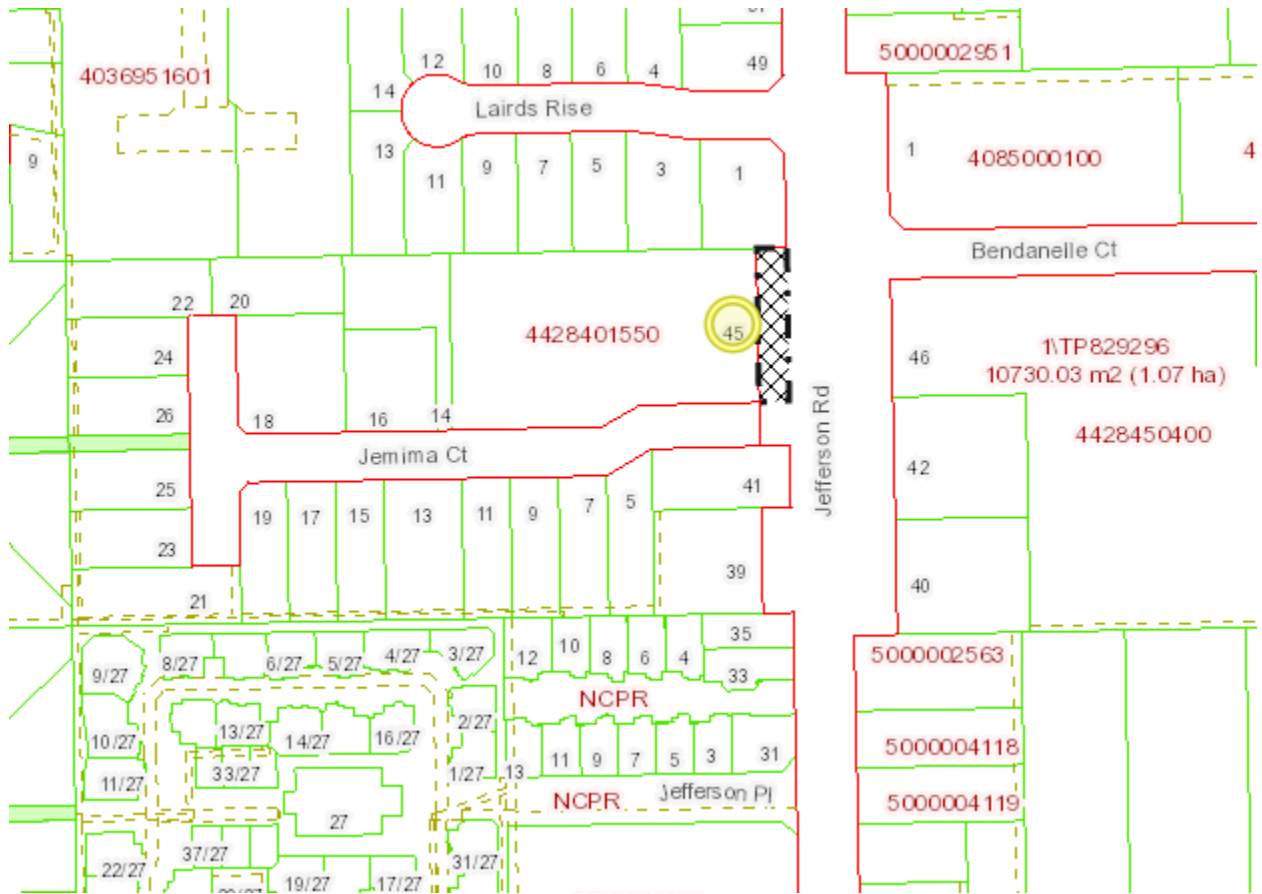

FINANCIAL AND RESOURCE IMPLICATIONS

If the Road is discontinued the abutting owner has agreed to purchase the land at the market value of the land and they have also agreed to pay all costs associated with the proposal.

CONCLUSION

As the proposal to discontinue the portion of road has no apparent detrimental effect in relation to access requirements within this area, the subject portion of road is considered to be suitable for discontinuance and transfer.
